

INTEGRATED HEALTHCARE PROVIDER COMMUNITY PARTNERS MOVES HEADQUARTERS TO HEART OF DOWNTOWN TUCSON

TUCSON, Ariz. (January. 24, 2018): Community Partners has taken the next step in its evolution by moving its headquarters to the revitalized heart of downtown Tucson at 44 E. Broadway Blvd. Suite 100.

Community Partners has leased a 16,000 square foot space in a modern, multi-level building at the corner of Broadway and Scott for 40 administrative staff members. No direct client services will be delivered from the new location.

Community Partners is a non-profit organization with more than 20 years of experience providing quality healthcare services to individuals and families, including the development and management of a comprehensive, effective behavioral healthcare network. As a leading integrated healthcare organization in Arizona, Community Partners serves over 10,000 members through 16 clinic locations in Tucson, Phoenix, Benson, Yuma, Sierra Vista, San Luis, Safford, Parker, Maricopa.

“During the past three years, we have evolved as a top-notch integrated healthcare provider, in the same way that downtown Tucson has evolved for greater vitality,” said Community Partners board member and Chief Strategy Officer Neal Cash. “We felt it was a great match to be in an exciting downtown environment in the heart of the Tucson community which has also gone through a transformation.”

“Community Partners is building on more than two decades of expertise, high-quality care and a commitment to the community,” said Community Partners President and CEO Vanessa Seaney. “Looking forward, we plan to continue providing exceptional integrated healthcare services and to enhance those services across Arizona.”

An open house is being planned for the second quarter in 2018.

Community Partners subsidiaries include Community Partners Integrated Healthcare, Community Partnership of Southern Arizona (providing housing assistance) and Community Partners Business Solutions.
